### Activities

Addagrip Surface Treatments Ltd is a resin manufacturing and formulating company. Founded in 1980, we established ourselves as a leading industrial flooring contractor formulating a range of high quality products to meet industry requirements. In 1986 we ceased contracting in order to concentrate on manufacturing and focus on supplying our products and servicing the needs of our customers. Our diverse product range includes: ' Epoxy resin floor coatings and screeds for industrial, and commercial premises. Designer Epoxy Resin Floors for shops and domestic premises. ADDASTONE®, the market leading resin bonded gravel. ADDASET, resin bound surfacing for hard landscaping schemes. Addagrip 1000 System, resin to protect and seal concrete airfield pavements. We also formulate to meet specific project requirements and toll manufacture.

### Activities

M&DH Insurance are specialist brokers to the construction industry. Our construction insurance activities have continued to expand and develop to meet the every demanding needs of our clients. We have been working with construction companies for many years now and high risk activities don't have to attract high premiums. We have recently negotiated exclusive new facilities with reputable insurers enabling us to drive down premiums and pass on those savings to our clients. We can also provide tradesman policies too as we feel that small businesses should have access to great value premiums. Our portfolio of construction clients is wide ranging, from privately owned to public limited companies, from speculative developers to all areas of the high risk sector and for both main and specialist sub-contractors. Our specialist internal claims team provides an unrivalled service to ensure speedy and efficient settlement of construction insurance claims. Dealing solely with Contractors

#### Nature of business

English

Findley House Ltd are purveyors of excellence in the design and manufacture of bespoke fireplaces and natural material interior designs. In addition to proving refreshingly unique and best quality fireplaces and stone designs we also pride ourselves on our range of fires and bespoke masonry. As a family run company with over 10 years experience in the industry we have expanded to opening a showroom in Leeds which compliments our design workshop in Doncaster and allows us to showcase our design in public, as well as providing you with a comfortable, friendly environment in which to muse over your preferred designs. \*Our Doncaster workshop is home to a team of specialist designers, who can realise your ideas for you if design is not your forte, as well as a team of best quality masons with the additional benefit of specific granite and marble technicians who are all experts in their chosen fields.

## Products & services

### Nature of business

English

Welcome to Stone Supplies. \*We are suppliers of top quality interior and exterior stone in the form of flags, natural stone cobbles, slate, floor tiles and travertine. We do not source any of our products from quarries who promote child labour and our international supplier is ISO 9001: 2000 quality assured. \*Natural stone paving and cobbles do not flake with frost or lose their natural colour. Natural stone is forever and at a realistic price.
